PROFESSIONAL DEVELOPMENT AUDIT

Using SIG applications from the past three years and the "Selecting Professional Development Guidance Document" describe and evaluate the effectiveness of past professional development activities funded with ESSA Section 1003 School Improvement Grant (SIG) application funds.

Work with the school leadership coach and business manager to complete the chart provided below. Add more rows as needed.

Professional Development Title	Total Dollar ($) amount (registration fees, per diem, mileage, etc.)	What models of effective practice were incorporated?	Was it aligned with the school improvement plan in previous SIG Applications Yes/No	Was there coaching and or expert support included?	What evidence shows positive (impact) and sustained results? If none, please provide explanation of why not.
